T15_18	byte	said in the song-Taking IFA reduce the risk of excessive blood loss during delivery child birth said in the song-Taking Ca prevent hypertension and pre-eclampsia/eclampsia and help baby to
T15_19	byte	have strong bones and teeth
T15_20	byte	said in the song-Fe and Ca should take separately in two different meal
T15_21	byte	said in the song-DK
U1	double	U.1 My purchasing the right types and amount of food for my wife during pregnancy is extremely important for her health and the health of my unborn child
U2	double	U.2 My ensuring that my wife is consuming right types and amount of food during pregnancy is extremely important for my unborn child's brain/education and ability to earn
U3	double	U.3 Not taking one tablet of IFA and one tablet of calcium every day for 180 days I not a serious problem for pregnant women
U4	double	U.4 Most husbands in my community/village know that taking 1 tablet of IFA and 1 tablet if calcium daily for 180 days can prevent their pregnant wife from dying during childbirth and serious complications of pregnancy
U5	double	U.5 Can manage to purchase or obtain the recommended 5 varieties of food to be consumed by my wife during pregnancy
U6	double	U.6 Can manage to ensure that my wife I consuming the recommended amounts of food to be consumed during pregnancy
U7	double	U.7 My family members and community people will find it strange and unusual or become upset with me or my wife if I pay too much attention to ensure that my wife will consume the right types and amounts of food during pregnancy
U8	double	U.8 Cannot afford to purchase or provide the recommended types and amounts of food every day for my wife during pregnancy as we are poor people
U9	double	U.9 It is too costly to obtain the recommended types and amounts of foods for my wife's consumption during pregnancy
U10	double	U.10 It is a good use of our family's money to ensure the right types and amounts of foods for my wife's consumption during pregnancy and it contributes to the future welfare of the child and family
U11	double	U.11 In my family and community we/people expect pregnant women to consume so many varieties and such large amount during pregnancy
U12	double	U.12 Most husbands in my community/village know the importance of proper nutrition for mother during pregnancy
U13	double	U.13 Most husbands my community/village do not purchase diversified nutritious foods and do not ensure that their wife has these foods available
U14	double	U.14 Most husbands my community/village remind and encourage their wife to consume the recommended quantity of diversified foods daily

U15	double	U.15 Ensure that there are enough tablets of IFA and Calcium at home for my wife to consume at least 180 tablets (one per day for 6 months) during pregnancy
U16	double	U.16 Rremind my wife and ensure that my wife is consuming all tablets of IFA and Calcium as recommended and this is at least 180 tablets (one per day for 6 months) during pregnancy
U17	double	U.17 I remind/help my wife to take rest for 2 hours during the day in addition to sleeping at night
U18	double	U.18 I never remind/help my wife to lift heavy load during pregnancy
U19	double	U.19 Most husbands in my community/village remind/help their wife to lift heavy work load during pregnancy
U20	double	U.20 Most husbands in my community/village do not ensure that there are enough tablets of IFA and Calcium at home for their wife to consume at least 180 tablets (one per day for 6 months) during pregnancy
U21	double	U.21 Most husbands in my community/village do not remind their wife each day to consume one tablet of IFA and Calcium so that they consume at least 180 tablets (one per day for 6 months) during pregnancy
U22	double	U.22 Most husbands in my community/village do not remind /help their wife me to take rest for 2 hours during the day in addition to sleeping at night
U23	double	U.23 I review my wife's weight gain chart and helps her to find ways to gain enough weight during pregnancy
U24	double	U.24 I know how much weight a pregnant woman should gain during pregnancy and how much weight my wife is gaining
U25	double	U.25 Most husbands in my community/village do not review their wife's weight gain chart and help her to find ways to gain enough weight during
U26	double	U.26 Most husbands in my community/village know how much weight a pregnant woman should gain during pregnancy and how much weight their wife
U27	double	U.27 Most husband in my community/village call the health worker on mobile if they have any difficulties to do any of the above
U28	double	U.28 I always call the health worker on mobile if I have any difficulties to do any of the above
